As per our conversation this date I do not have any information that meets the FOIA process in question. Have a great day!

Hello and good morning Mike,

A gentle reminder that I'll need your input at your earliest. If you don't have anything to supply, that's fine, I'll reflect it in the record. Let me know though....have a great day and weekend!
Thanks!

Hi,

A gentle follow up. If you don't have materials covered by the attached FOIA, let me know for the record. Conversely, if you have stuff to send me, let's talk.

Hi,

You have been identified as potentially having files that are covered by the attached FOIA submitted by Mr. Telvock on May 17th. While the correspondence portion of this FOIA **may** overlap with Mr. Telvock's previous one (closed out this past February), your records search should include January 2015 files thru 5/17th.

Let me know if you will have stuff to supply (or not), we can discuss file sharing options at that point. Thanks!
